Sir:

In response to the Notice of Allowability, mailed by the Patent and Trademark Office on March 19, 2004, and to the Statement of Reasons for Allowance attached thereto, Applicants wish to clarify the record with respect to the basis for the patentability of each of the claims in the present application. In this regard, while Applicants do not disagree with the Examiner's indication that certain identified features are not disclosed by the references, Applicants submit that each of the claims in the present application recite a particular combination of features, and that the basis for patentability of these claims is based on the totality of the features recited therein.
